

Fern Creek Optimist

Kroger Gift Card Fundraising Opportunity

Attention Parents,

Fern Creek Optimist Soccer is kicking off a year round fundraiser with help from Kroger grocery store. You can earn money for your child's soccer organization by doing your normal grocery shopping. The Kroger re-loadable gift cards are available at our concession stand for \$5, and they have \$5 already loaded to them. When you go to Kroger for groceries, gas, or pharmacy needs, you load the amount of money you intend to spend on your card first; then, you pay for your items with the gift card. The optimist club earns 4% of what is loaded on your cards. AND, in return, we will split the donation with the participating contributors to apply to their future incurred soccer fees.

For example, if you:

Load \$500.00 a month--earn 2% towards soccer fees for a yearly total of \$120 for expenses

Load \$750.00 a month--earn 2% towards soccer fees for a yearly total of \$180 for expenses

Load \$1000.00 a month--earn 2% towards soccer fees for a yearly total of \$240 for expenses

Each purchase will get a balance remaining on their receipt, and, if you lose your latest receipt, you can go to <http://www.gcbalance.com/> type in the card number, etc at a website affiliated with kroger and find out the balance.

Each family may have more than one card and they can all be linked to the family's account with the optimist to keep track of the money earned by your purchases. The money earned in your account will be good for 12 months from the date it was earned. There will be a link on the website to view your balance with the Optimist Club.

Cards are \$5 and are available at the concession stand or contact the following people for group sales of 5 or more:

Becky Lancaster elancaster@insightbb.com 608-4959

This is a wonderful opportunity for us to earn funds to purchase more field equipment, soccer equipment, and to help with the expenses of the complex, and to help you earn money to pay for your soccer fees.
